

Independent auditor's report for 2025

An unmodified opinion on the foundation's financial statements for the year ended 31 December 2025.

Opinion

We have audited the financial statements of Uniq International Charitable Foundation for the year ended 31 December 2025, prepared on a receipts and payments basis, together with the notes to them. The published "Financial summary for 2025" is an extract from those statements; the full set is provided to donors on request.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the foundation as at 31 December 2025 and the results of its operations for the year then ended, in accordance with the applicable financial reporting framework.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are described in the "Auditor's responsibilities" section. We are independent of the foundation in accordance with the ethical requirements relevant to our audit, and we have fulfilled our other ethical responsibilities in accordance with those requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Accounting for restricted funding. The foundation receives funds from donors for specified purposes. We tested, on a sample basis, whether income recognition matched the terms of the grant agreements and whether costs were allocated to the correct projects.

Separation of programme and administrative costs. We tested the methodology for allocating shared costs and whether it was applied consistently through the period.

Responsibilities of management

Management is responsible for the preparation of the financial statements and for such internal control as it determines necessary to enable the preparation of statements free from material misstatement, whether due to fraud or error.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement and to issue an auditor's report containing our opinion. Reasonable

assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement where one exists.
