

Statute of the foundation

The founding document: objectives, governing bodies, decision-making, and the use of assets.

1. General

Uniq International Charitable Foundation is a charitable organisation in the form of a charitable foundation, established and operating under the law of Ukraine on charitable activity and charitable organisations.

Date of state registration: 18 May 2022. Identification code: 45112807.

The foundation is entered in the Register of Non-Profit Institutions and Organisations, non-profit code 0036.

2. Purpose

Restoring the mental health of people affected by the war in Ukraine and supporting their psychological and physical rehabilitation.

3. Fields of charitable activity

Healthcare; social protection; support for service members and veterans; education in the field of mental health; child protection.

4. Governing bodies

- **Supervisory board** — the highest governing body; approves the strategy, the annual budget and the reporting, selects the external auditor, and appoints the executive director. Five members.
- **Executive director** — the sole executive body; responsible for day-to-day management.
- **Audit committee of the board** — oversees financial control; chaired by a person with no financial relationship to the foundation outside that role.

5. Property and funds

Sources: charitable contributions, grants, international technical assistance, passive income. The foundation's income is not distributed among its founders, the members of its governing bodies or its staff, other than as remuneration for their work.

6. Transparency

The foundation publishes an annual report, financial statements and an independent auditor's opinion each year.

7. Termination

On termination, assets pass to another non-profit organisation of the same type or to the state budget.

Prepared for the demonstration version of the website. Before any public use it is replaced by the current signed version approved by the foundation.
